

Baptist Blast

Happening Now at HCBAB.org

From the Henry County Baptist Association - January 24, 2025

Please familiarize yourself with our new website, <https://HCBAB.org>, to keep abreast of upcoming events. Be in prayer for our association as we re-energize our community outreach ministry efforts - and for where God might be calling you to get involved!

Please contact Rocky at HCBAB for information on any of this:

RockysRamblings@gmail.com.

Jail Ministry - Orientation training at 6:00 pm Monday evening, February 3, at HCBAB HQ on King's Mountain Rd (across from Jack Dalton Park). Please, consider getting involved - we need you! Join us for this training session.

Virginia Mission Opportunity - SBCV's annual Send Relief Serve Tour will go to help those in need in Virginia Beach March 27-29. Any church, individual or group can sign up to take part. Fort Trial Baptist Church has extended an invitation for anyone interested in joining them. For more:

Gospel Blitz - A new effort of the HCBAB to canvas Henry County with the Gospel. For anyone interested, contact our Associational Missionary, Rocky Rockwell, so we can start making final plans to launch this effort.

Men's Ministry - We're launching an effort to establish a men's ministry for our community. We need a small group of men from the HCBAB churches to link arms and push this effort forward. Our goal is to use the masculine arts to help the needy of our community, in so doing, we seek to link men of God together for support and mentoring for each other, our sons and other boys to become Godly men.

Mentoring Tomorrow's Ministers - Our association is looking for ways to address the severe shortage of upcoming pastors and ministerial leaders. We would like to hear ideas and programs you might be aware of. One opportunity is called The Timothy Project. They are having their annual conference in Mississippi on May 5-6. We would like to send a small delegation from HCBAB. For more information:
