

From the Henry County Baptist Association - April 2, 2025

Please check the new and updated information at <https://HCBAB.org>. It will continue to be the lynchpin to our joint revitalization efforts.

Hurricane Helene Mission Opportunity - We now have 15 volunteers signed up for our rebuild deployment in Damascus, VA over Spring Break. We will be the ONLY team in Damascus that week, as the other team that was supposed to be there have been shifted to a new deployment in Buchanan County. That said, it would be great if we could fill our full commitment. Please help us find 5 more volunteers.

Gospel Blitz - Two developments move us closer to starting efforts to preach the Gospel in the marketplace RIGHT AWAY. First, we have all of the equipment, and second, we have Rural King's permission to set up in their parking lot whenever we want to, through coordination with their HR director. We need volunteers to join us, some to talk and pray with people, share their testimonies, and/or speak. AND, we need to line up more venues. If you know the responsible person for any businesses or other places where we can set up, please contact them and share that information with Rocky.

Men's Ministry - We have a tremendous opportunity for our men, including teen boys, to attend an evening of fellowship at the Energize Lodge outside of Axton on May 15. There will be 3 NASCAR speakers. Check the <https://HCBAB.org> Events Calendar for details, and get it on your calendar. ALL are welcome, and you won't want to miss it!

There will be a pastor's lunch at Chatmoss on April 15 to discuss goals and invite pastors to represent their churches at the men's fellowship on May 15. That lunch is also on our Events Calendar, along with the sign-up link. Pastors, see our Pastor's Page for what to expect.

Please continue to pray as we re-energize our community outreach ministry efforts - and for how God would have you engage in His work. Contact Rocky at 276-224-0979 or RockysRamblings@gmail.com to get involved in anything we are doing.
