

From the Henry County Baptist Association - June 30, 2025

Next Operation InAsMuch Day - October 11, 2025: To make this truly an outreach ministry, we ask that this date be reserved for reaching out to help people outside of your church, and choose another time (or times) to provide these same services to people of your church.

We suggest that you take one of three paths: 1) Your church can coordinate your own projects, 2) collect items for our backpack project for the homeless, foster-care kids, and aging-out foster (18 yr-old) teens, or 3) collect items for our jail ministry Christmas Hope Packs.

Let HCBAB know what you will be doing and send us a final report on your results so that we can report back to our churches and to OIAM.

Possible projects if you want to coordinate your own efforts:

|---|--|
| > Come up with your own idea | > Yard Work |
| > Build Handicap Ramps | > Provide Firewood |
| > Take Cookies to a Police/Fire Station | > Paint Someone's Home |
| > Run a Bible Study at an Apartment Complex | > Replace Smoke/CO Alarms or Batteries |

Things to collect for homeless/foster-kid backpack project and/or jail ministry Christmas hope packs:
