

Motion Submitted for Consideration and Vote
Special Meeting of the Henry County Baptist Association of Virginia – February 2026

Subject: Motion to Sell the Henry County Baptist Association of Virginia (herein referred to as “the Association”) office building and deposit the proceeds, member church support, and other donations into the Association’s EverBless Account to fund the continued operations of the Association from a new office in one of the Association churches.

Whereas, the Association has been running in the red for the last few years, requiring increasingly more money being pulled from investments to fund operations.

And Whereas, the Association has voted to adopt a Constitution that streamlines the Association to operate on investment withdrawals with a minimum of twenty-five dollars (\$25.00) per month from each cooperating Church within the Association;

Be it resolved, that the Association shall sell its current office building and relocate operations into one of the member churches, to be designated by the Association’s Executive Committee;

Be it further resolved, that the proceeds from the sale of the office building shall be deposited into the Association’s account with the EverBless Foundation to serve as an endowment fund, alongside ongoing church membership support and other donations, for the purpose of funding the continuing operations and ministries of the Association.

And be it finally noted, net proceeds of the sale, the growth of the EverBless accounts, and the level of continued support from member churches will determine the effective ministry and longevity of the Association.
